

Tracker Corp Introduces At-a-Glance I-9 and E-Verify News Module on Dashboard of Tracker I-9 Software

SAN FRANCISCO, CA – April 26, 2011 Tracker Corp, <http://trackercorp.com>, innovative leader in developing [Form I-9 solutions](#) and [immigration software](#), announced a new feature to the homepage dashboard of its Tracker I-9 compliance software that gives users instant access to four online sources for the latest news updates, insights and discussions about I-9 and E-Verify.

With convenient icons and brief two-line synopses of the most current content provided by each medium, this new Tracker I-9 news module links users to, (1) the most pertinent and current I-9 and E-Verify news gathered from top media outlets, (2) Tracker's exclusive [LinkedIn discussion group](#) (a dynamic roundtable of HR, legal and best practices professionals on I-9 issues), (3) Tracker's [YouTube channel](#) featuring helpful best practices videos on I-9 and E-Verify, and (4) a direct link to Tracker's [E-Verify and I-9 News](#) blog.

This new module is just one of several easy-to-view dashboard features of Tracker I-9 software. The dashboard also provides users with a real-time graphical analysis of several compliance-critical status metrics, including their company's current audit risk exposure. Through the dashboard, HR managers enjoy one-click access to their Top 10 I-9s and E-Verify cases which require prompt action to maintain perfect compliance. Like all of the features of Tracker's dynamic dashboard, the I-9 News and Updates module is personalizable and easily configured per user role and preference.

"Keeping customers' most useful information about their I-9 compliance readily at their fingertips is one of the key advantages of the Tracker I-9 system," said Brett Weiss, CEO at Tracker Corp. "This new dashboard module extends the user's overview and foresight to encompass I-9 news and issues, providing useful I-9 intelligence instantly."
